

CORONAVIRUS/COVID-19

Support from Business Gateway Aberdeen City and Shire

In response to the impact of COVID-19, Business Gateway has a number of fully funded support services available for businesses in Aberdeen City and Shire:

- 1-2-1 support from experienced advisers covering a range of topics, including but not limited to: emergency cash flow, crisis management, contingency planning and business recovery.
- Access to HR specialist advice.
- Specialist support with Finance including: crisis cash management, cost reduction, application support for the Business Interruption Loan Scheme and guidance around pausing VAT and HMRC payments.
- Information and guidance about governmental funding for your business.
- Access to information on universal credits and other benefits for individuals with no income at the moment.
- Online webinars to replace face-to-face delivery of workshops with topics including 'taking your business online' and 'managing your business reputation'.
